

The Connecticut Golf Club is devoted exclusively to golf and managed to insure that the members can relax and enjoy the game of golf.

Our founder, Lawrence A. Wien, described the club best when he built it. The Connecticut Golf Club was designed to create ideal playing conditions for all who are interested in playing golf. It was never intended as a country club, nor does it compete with them. It is a club devoted primarily and exclusively to the playing of golf.

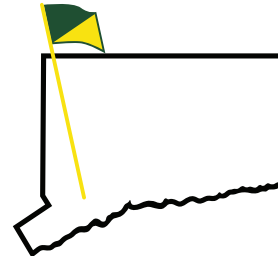

USGA Rules Govern Play

Golfers must maintain pace with the group ahead

Please Fix Ball Marks ▪ Replace Divots ▪ Rake Bunkers
